Aspiring data scientist with a passion for predictive modeling

Motivated and analytical entry-level data scientist with hands-on experience in machine learning, data visualization, and statistical analysis. Eager to apply data-driven decision-making to solve real-world challenges.

PROFESSIONAL EXPERIENCE

Data Science Intern

AI Innovations | San Francisco, CA | April 2025 - Present

- Assisted in developing machine learning models that increased product recommendations accuracy by 20%
- Created data visualizations to communicate insights to stakeholders
- Automated data cleaning processes, reducing manual work by 30%

Research Assistant (Data Science)

Stanford University | Palo Alto, CA | September 2023 - May 2025

- Conducted statistical analysis on a dataset of 500,000+ records to identify trends in customer behavior
- Implemented regression models to forecast sales trends with 85% accuracy

EDUCATION

Bachelor of Science in Computer Science

Stanford University, Palo Alto, CA |
May 2025

KEY SKILLS

● ● ● ● ●

Data cleaning and preprocessing

● ● ● ● ○

Machine learning (supervised & unsupervised)

● ● ● ○ ○

Python and R programming

● ● ○ ○ ○

SQL and relational databases

● ○ ○ ○ ○

Data visualization (Tableau, Matplotlib)
